Dear Members,

Namashkar!

Thank you for your spontaneous participation in the annual sports day and make the event a great success. It was indeed a family day full of fun.

Two recent email communications from someone named Shoshovan Das have drawn our attention. Please disregard all communications from this impostor and his cohorts. They have been flouting the direction of Department of Fair Trading dated 26 March 2010, which we have forwarded to you. In addition, this mongrel is spreading false information about the activities of the legitimate EC. If these impostors do not refrain from their unauthorised activities in the name of BSPC, the EC will notify the appropriate authority of such unauthorised activities.

I would like to let you know that a few people who tried to interrupt our activities of the Annual Sports Day celebration at Ashfield Park on Sunday was removed from the Park immediately by the police.

Please note that there is no more activity of BSPC scheduled in May 2010.

Thank you for your cooperation.

Apu Saha
General Secretary and Public Officer
BSPC 2009-2010
